Dear

STAT

I am returning the subject agreement and related materials which you sent to me in your letter of 16 March 1959. It will not be necessary at this time for me to be reimbursed by your organization for travel expenses incurred in connection with my participation in the project.

If at some future date it should become necessary to make such an arrangement, I will notify you of this requirement at the earliest possible moment.

Very truly yours,

Arthur C. Lundahl
